CAPE TOWN
SOUTH AFRICA

INTRODUCTION

Cape Town is one of the most famous cities in the world and it offers any visitor an experience like no other. While this city had views for days, it is not without its challenges and many communities struggle with poverty and related issues. Khaya works with a number of non-profit organizations who work hard to combat some of these challenges and we would like to show you the visible and less visible of the Mother City.

Let our experienced coordinators guide your group to experience Cape Town's breath taking beauty while leaving behind a lasting impact on the communities who need it the most.
